You can also contact Nicole Bills, Aquatics Director, at carmelaquaticscac@gmail.com or 317-571-4047

COME SWIM WITH US!

Free Learn To Swim Lesson Program– Fall 2016

Program Details: The Carmel Swim Club Free Learn to Swim Lesson Program offers free swim lessons to children in the community who do not already know how to swim.

Requirements: The Free Learn to Swim Program affords each participant the opportunity to sign up for swim lessons during the current registration period. Priority goes to children with little or no prior water experience. Once enrolled, every effort must be made to ensure the child attends as many lessons as possible. Excessive absences may result in termination. Progressing to the stroke development level and/or suggested maximum of six total sessions results in the swimmer's graduation from the free lesson program.

To Qualify for the Program: Children must participate in the free or reduced lunch program through the school system they attend. If a child is not yet in school, children with parents or guardians participating in a county rent or utility assistance program may qualify.

To Apply for the Program: Applications for the program are available at this link:

<http://www.teamunify.com/cmincsc/>. Spaces in the free program are limited and will be filled on a first come first serve basis until the classes are full. If necessary, a lottery system will be used. Application deadline: Tuesday, September 6.

Carmel Swim Club

During the past 43 years, the Carmel Swim Club has established itself as the best swimming team in Indiana and one of the top club teams in the entire USA. More important than accomplishments alone, Carmel Swim Club takes pride in offering a program for all ages and ability levels. Age group swimming builds a strong foundation for a lifetime of good physical and mental health by teaching time management, self-discipline and healthy fitness habits.

The club is hosting evaluations on **Tuesday, August 30 and Wednesday, August 31 from 5:30-7pm** at the Carmel High School pool, door 21. No appointment is necessary. If your swimmer gets placed into a swim group, he/she can swim with us for two consecutive weeks for free, then would need to decide to join. More information can be found at www.carmelswimclub.org or by calling 317-575-8244.
